

Other Groups

Wildlife/Nature Group

This group meets at 19:30 on the first Thursday evening of each month at Grove Green Community Hall, Penshurst Close, Grove Green, Maidstone, ME14 5BT (*adjacent to Tesco*). We are hoping for ideas on how this group will progress, organising days out, help with all settings, best camera gear to buy, software options, places to go, help with images for competitions etc.

Digital Group

This group meets at 19:30 on the third Thursday evening (September to May) at Madginford Small Hall to provide help and instruction with most areas relating to digital photography and the presentation of images for display in competitions and exhibitions. Includes some practical evenings where you can use your camera.

Portrait Group

This group meets at 19:30 on the fourth Wednesday evening (September to May) at Madginford Small Hall to give members the opportunity to develop their portraiture skills guided by the help and instruction available from more experienced members.

Audio-Visual Group

This, as the name implies, is a group for those members who wish to produce AV presentations and would like some help and advice or perhaps just to discuss ideas. Meetings are held at 19:30 on the last Thursday evening (January to November) at Grove Green Community Hall, Penshurst Close, Grove Green, Maidstone, ME14 5BT (*adjacent to Tesco*).
